Senior Reflections

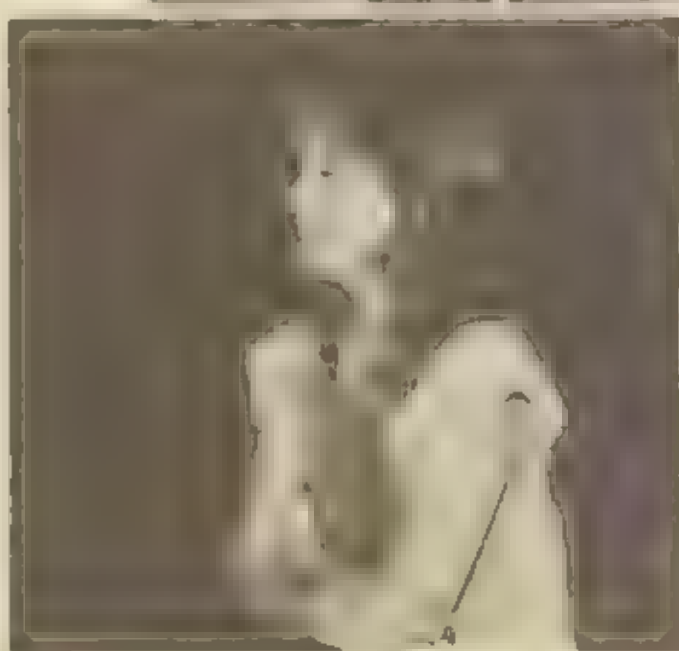

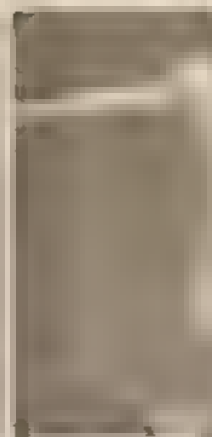

Laughter, tears, hopes and fears,
Were my four years at Mountain View.
Loving care, hopes we shared,
Were my four years at Mountain View.
All my friends old and new,
All the things we used to do,
Will stay with me my whole life through,
Memories of Mountain View.

Written by Ingrid Kubiak

My last four years have been
basic foundations for my future.
From my failures, I've learned to
get up and start over. When I succeeded
I learned to stay humble. I overcame
obstacles I thought were impossible.

The experiences and my education since
my last four years will always be there in
the back of my mind, ready to call on when
I want to remember. Through my
experiences and my friends, they've
become a part of me.

Ana Lucia De Cerialho

Ana Lucia de Cerialho is 16 years old and the first foreign exchange student in the history of our school.

Ana is from Brazil, Rio de Janeiro. She said it is hard to be a foreign exchange student because there are many different customs in America, the schools are different and the weather is cold to her.

She writes, "We can't choose the classes each year. We take the classes that are generally assigned; like Math, Portuguese, geography, history, English or French, P.E. science and art. In high school we have biology, physics and Quimic. We don't have the same classes every day."

Ana says that in Brazil, when you go out with a guy, you don't have to be his girl, you just go out to have fun and enjoy yourself. In Brazil, you go out at (9:00 and come home about 3 or 4 in the morning.)

So far Ana has enjoyed herself and she wants to say thank you to everybody, because you have all been great to her and made her experience a very different one.

This sure beats practice.

Speaker of the House

There is very little you can do in a semester, but we did as much as we could. The year started with seeing us having one meeting per month, but ending with two meetings per month.

There were many things brought to our attention, but the ones of most importance were the ideas of a court system developing in this school. Also the thought of a mural painted in back of the gym to be seen and admired by all.

We also had our second annual candy sale with success. But the last important thing, I enjoyed having and getting to know everyone at those meetings. They were a lot of terrific people.

Another year, another book. No, not just another book, but a very special book called the Aegir 1975. This book means more to a graduating seniors than it does to juniors, and so on down the line with the sophomores and freshmen, but it doesn't stop here. For three or four years the Aegir will sit on a book shelves or stacked away in a dark closet, relatively unnoticed--then it suddenly become important... "Whatever happened to the student body president, what's he doing now?"... "What was the name of the star football player?"... "Is he the one I read about in the papers now?"... "and how can I get in touch with what's her name, the head cheerleader?"... "I wonder what looks like now, after all these years?" As the year pass, the 1975 edition of the Mountain View High School yearbook becomes more precious, and a very valuable book. Renewing old memories of good times and of special friendship becomes a very meaningful thing.

Yes, this is another year, but just not another book. This particular book you will want to cherish for life.

Rex Welch

Assistant Principal for Instruction.

Hi Vikings:

We are approaching the completion of our fourth year here at Mountain View High School and our first four year graduating class, the very first group of students to spend all four years of high school at Mountain View. I'll miss you students. It's been my pleasure to know you and work with you. I hope that all of you continue to put fourth a strong effort to improve yourselves and improve your place your community. As I leave Mountain View I will always have fond memories of working with the young people here. To coin a phrase "Thanks for the Memories." You have really been great. I really appreciate the opportunity to grow with you. May God be with each of you always.

Your friend,
Jack Cline

Three of the happiest years I have spent as an educator were spent working with students from the South El Monte, El Monte areas while at El Monte High School. Now I have returned to this area and I find here at Mt. View High the same warmth and friendliness I had known in the past. I believe that Mt. View has within its student body the potential to be the best high school around and with the guidance and support of the community and staff, Mt. View will be at the top where we belong. Let's strive for that goal which can be a reality and prove to all that the Vikings are here to be noticed by their excellence and high achievements.

Fernando R. Ledesma

This seems to be the year that Mountain View has become of age. All of our athletic teams not only showed pride, they made believers of every school playing us. The girls became part of CIF and played five sports, while we added boy's soccer to our schedule. Our band, flashrangers and pep squads showed moments of brilliance and maturity. The commission began decorating the gym and commission room, while the House got its mural under way. We had our first foreign exchange student, Anna. The classes started their class flags, the M.V. was finally finished on the hillside by the Lettermen, and we added more bleachers to our growing Viking Stadium.

Yes, this is a year of which we can be proud.

The following table shows the results of the regression analysis for the dependent variable *W* (Weight) in the first column. The independent variables are listed in the second column. The third column shows the coefficient estimates, and the fourth column shows the standard errors. The fifth column shows the t-statistics, and the sixth column shows the p-values. The seventh column shows the adjusted R-squared values.

Dependent Variable	Independent Variables	Coefficient Estimates	Standard Errors	t-statistics	p-values	Adjusted R-squared

Double
Farewell
to:*

Dr. David A. Berry

All Vikings of Mtn. View will miss you Dr. Berry. You have given more of your time and talent than most of us will ever know. When the years have come and gone, we will still be able to view with pride, the accomplishments that have become part of this school, and know in our hearts that you had a major part in making it all possible.

We want to wish you well in your new assignment with the University of Southern California, and trust that God will give many happy hours of joy and fulfillment.

THE AEGIR STAFF

Mr. Jack Cline

Mr. Jack Cline will be a name always remembered by the students of Mountain View High School. He was a friend to all VIKINGS. During the last three years he was Director of Student Activities and Head of Counselors. His primary goal here at Mountain View was to be sure that each student received help and felt he was an important part of the whole. When anyone was in trouble or had a problem you could go to him he'd always have an answer. He was a person you could confide in. He wasn't just a teacher or a big man on campus he was a friend to all of us. We will miss Mr. Cline and we wish him great success and happiness at Temple City High School.

Ms. Grace Shammas has been sponsor of C.S.F. ever since the school opened in September 1971. According to Ms. Shammas, the best thing that happened to C.S.F. students, were the trips to the universities and the university football games.

She thinks the requirements for CSF are too discriminating because a student with all A's may or may not qualify for C.S.F. Also, the fact that physical education does not count is ridiculous, because physical education is a requirement for the district. She chooses to have it. Also Ms. Shammas does not anticipate any change in C.S.F. because it is a state organization and the school does not set the standards.

When asked what student she thought was outstanding, she said that she couldn't choose just one individual, because they are all exceptional people.

After the fall semester she will relinquish the sponsorship of C.S.F. Ms. Shammas will miss the relationship with the students of C.S.F. but just as important, the students of C.S.F. will miss her.

The Second semester started off CSF with a new Sponsor. Her name is Miss Patricia Duran. Miss Duran is the new sponsor of C.S.F. She wants to help those students that are planning on going to college, get information and hopefully provide the information to the students on Scholarships and the universities and colleges that offer them.

C.S.F. was not advertised at her high school too much and she didn't really know about it.

As sponsor she would like to take some field trips to various colleges to give the students an opportunity to get to know colleges that they could possibly attend in the future.

We'll miss Ms Shammas but we will get to know Miss Duran and like her just as much.

In its second year of operation, Mt. Views KMVH radio continued to provide lunch-time entertainment for Viking students.

Students enrolled in Mr. Liberatores TV Production class participated in producing the shows which featured various music groups as well as other radio production features.

Season Highlights

This season proved to be Mtn. View's most successful in the Mission Valley League as they finished the year in 4th place in league standings. The Vikings proved to be a competitive team and **their spirit and determination were evidenced in their play.**

Two of Mtn. View's first 3 games were against teams which made the CIF playoffs. Victory eluded the Vikings until the fourth game when they upended Schurr, 13-7, as Mike Ruiz recovered a blocked punt in the end zone for the winning score. Hector Ruiz was the defensive standout, making 11 tackles. A big win for the team came against cross-town foe Arroyo, as Marty Shubin and Troy Tillett teamed up to score a touchdown on the first offensive play of the game, a 46-yard pass-run. The defense then took over, stopping the Knights twice inside the 10-yard line to preserve the shut out. This game marked the first Varsity football win for the Vikings over a district school.

The last game of the season had to be the best, a 10-6 win over the Mark Keppel Aztecs. Bill Gil led the offensive attack, carrying the ball 25 times for 103 yards, setting a school record for rushing in one game. The offensive line, led by Mike Ruiz, Ed Quattrocchi and L. J. Guzman, did a superb job while the defense was spurred by the efforts of Bob Logan, Danny Chavez, Richard Espinoza, Omar Arrula and John Goodsell.

QB Marty Shubin led a fine year, as he finished the season completing 46% of his passes. Troy Tillett was his favorite receiver, as he caught 10 passes for 103 yards. Defensively, Bob Logan led the team with 103 tackles while defensive back Steve Tillett had 4 interceptions.

The undermanned Sophomore Football Team ran into stiff opposition this year and were unable to finish the season with a win. Led by co-captains Joe Reyes, quarterback, and Dirk Williamson, most valuable player, the sophs played several fine games. Line-man Tom Gorman was selected as the most improved player.

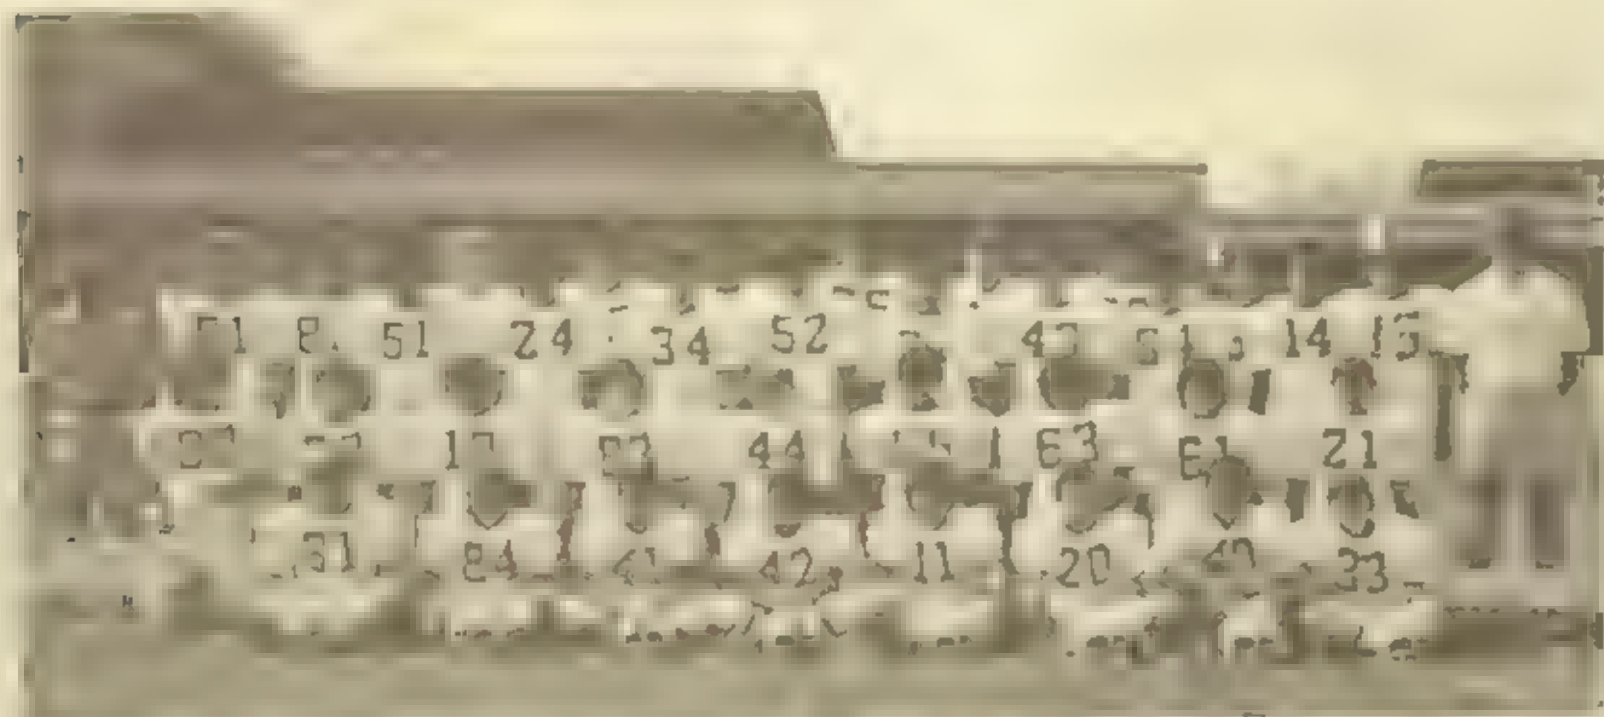

The frosh gridders fared a little better as they finished the season with a four win, three loss record in league.

Varsity Cross Country

Coach Ralph Hernandez

The Varsity Cross-Country team had a rough year in '74 as this was the first losing season for the Vixens since they came into the Mission Valley League three years ago. The team had a league record of two wins and five losses this year, after finishing 1975 with 6 wins and one loss.

According to Coach Hernandez, the record was due, in part, to a lack of Varsity experience, as only one member of this year's squad was a Varsity runner last year. The team was made up primarily of sophomores and juniors who were experiencing their first year of Varsity competition. There were, however, some bright spots for the harriers (see facing page). Three Varsity runners placed at this year's Roadrunner Invitational. Everett Pacheco won the sophomore race while Raymond Rodriguez placed fifth; Ricardo Valadez placed 10th in the junior division.

With the entire squad returning next year, Coach Hernandez looks forward to having a fine season.

The JV's also had a rough year as they finished the season with one win and six losses. However, the team tried hard and kept a good attitude all season. Team captain Phil Garcia made a fine effort, while Dale Fike and Al Romero also did a good job.

The Frosh/Soph team recorded their best record in three years as they finished with five wins and 2 losses, earning them 3rd place in the Mission Valley League. The team was led by David Flores and Sal D'Amico, who placed 10th and 15th, respectively, at the Roadrunner Invitational. David Silvas was one of the runners who scored in every league meet.

Grappling their way to a fine season, the Varsity wrestling team picked up numerous individual medals and one team trophy (2nd place at the Baldwin Park Novice Tournament) enroute to an 8 win, 10 loss mark in dual meet competition. However it was individual efforts that stood out. Junior Dave Carney who pined 14 of his opponents, just missed qualifying for the CIF Finals as he placed fifth in the CIF Prelims. Junior Gary Pino was selected by his teammates as a co-captain and also the most valuable wrestler on the Varsity team. Freshmen Mike Earnest performed well in his first year as he pinned 10 of his opponents. Placing in league finals were Gary Pino and Dave Carney, 2nd; Rick Jimenez, John Goodsell, 3rd; and Kevin Kee, 4th.

Mountain View's JVs emerged with a winning record as they recorded 6 wins against 4 losses on the season. Freshman Dale Fike was named the most valuable JV wrestler as he showed great promise for making the varsity next year. Terry Macias, voted most improved, was undefeated as a J. V. winning 4 matches, 3 of which were by pin. Co-captains Mark Forbush and Steve Sanchez provided the leadership for the junior matmen.

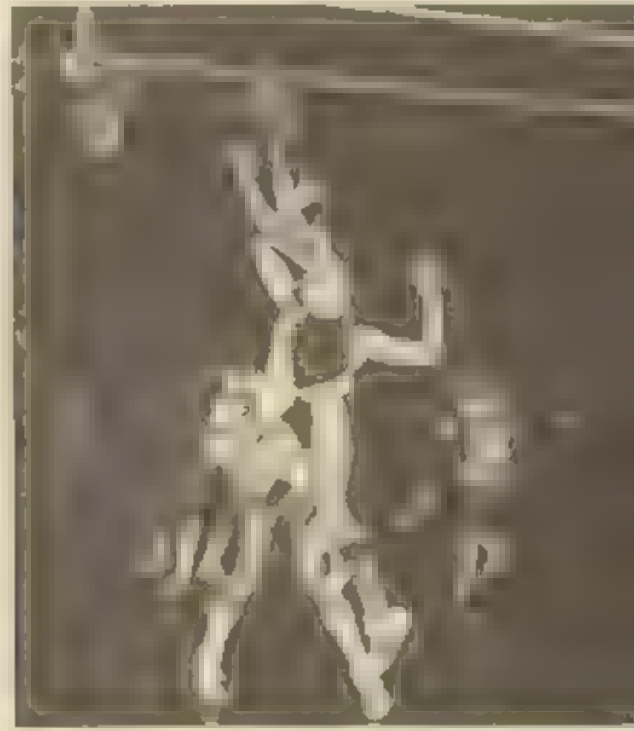

With only two seniors on the team (Richard Moreno and John Goodsell), the team has the potential to become a league contender next year.

Stars are known as right shots, and Jackie Baker was dazzling throughout the year as he scored 19 points per game average, A most Valuable Player award in the Norwalk Tournament, and first team All League Honors.

Center of Varsity took team high honors with a school record 212 rebounds and a so close superior in the Norwalk Tournament, earning all Tournament Recognition.

Captain Gary was the leading playmaker handing off 175 assists for the season with a game high of 13- both totals being new school records.

The team played very well throughout the season, averaging 64 points per game. Most valuable player Greg Carrick was the outstanding player for the team, averaging 12.5 points per game.

With center coach directing the team effort, the Sophomore basketball squad won the consolation trophy at the 1985-86 Sophomore Basketball Tournament. Track Team

Although lacking depth and overall strength, this year's VARSITY TRACK TEAM has several outstanding individuals who should make the team very competitive throughout the season. Returning league champions Ray Goodsell (Varsity 120 low hurdles) and sophomore Everett Pacheco (Frosh, Soph 88) will both be looking to repeat as champions in their events.

As of early March, Pacheco had run the 880 in 2:01 and the mile in 4:32.6, both which are excellent early season marks. Freshman sensation Mike Earnest, at presstime, had already cleared 13'0" in the pole vault, which is a new school record, and he will be looking to better his personal best of 13'6". Both Pacheco and Earnest will probably compete in the Frosh/Soph division for CIF competition.

Also expected to contribute points will be distance runner Raymond Rodriguez, who will be running the mile and two-mile, sprinters Omar Arrula, Richard Flores, and Israel Martinez, and Weightman John Goodsell, who will be trying to break the school record in the shot put.

David Flores, placed in both the 880 and 2-mile at Duarte and promises to be a great asset to the team. Also showing pre-season strength are shotputter Albert Rodriguez and sprinter Oscar Martinez.

This year's team features a strong pitching staff as three hurlers are returning to the mound: Albert DeValle, Bill Giroud, and George Laich. Adding depth to the rotation will be former JV's Robert Hempel, also a fine first baseman, and Ed Maldonado.

Defensively, the squad is strong where it counts, up the middle, with Marty Shubin and Antonio Raigosa at catchers, Steve Tillett and 2nd base, Troy Tillett at shortstop (perhaps the most gifted player on the team, Troy was 10 for 17 at the plate in pre-season, including 2 home runs and a triple), and Bill Gil in center field (Bill is the quickest player on the squad with an extremely accurate throughing arm).

Rounding off the starting lineup are Giroud and DeValle in the outfield and Jeff Short at 3rd base. The bench is also strong with Bobby Logan at 1st base and the outfield and Felix Almanza, a very reliable infielder.

The freshman baseball team is looking forward to having a fine season as they are 2-1-1, coming off a 17-1 victory over Gladstone. Several outstanding players add support to Coach Chavez's comment that, "Overall, this freshmen team has plenty of potential and should do well."

Jose Raigosa, a pitcher and catcher of outstanding ability, has a fine attitude and is expected to perform well. At presstime the Varsity record stands at 3 wins and 2 losses.

Senior Mark Brown, the number one ranked tennis player at Mountain View for the past four years, has already run his individual record to 19 wins and 1 loss. Also off to fine start are Luxenburg with a 17-2 record and Lugo with a 15 win-5 loss effort. Netters of the future playing for the varsity are junior Rick Negrete and Sophomore Gary Sanchez and Mike Defer.

The freshmen team has several good prospects to come from, Dale Fike, Earl Freeman, Kenny Lee.

REFLECTIONS

Through the year,
The hard work on Aegir
and the memories they now are,
Will linger in our minds;
Good and devine, with hopes of
pure satisfaction.
If not for our staff:
Wiggie, alias toots,
Mr. Little, and
Robby,
This reality could have been just a hobby.
We hope after a good look
you have enjoyed this book,
and it holds memories for you also.

trustworthy advisory work.*

My dear Mr. [Name]
I have just received your letter of the 10th inst. and am
glad to hear that you are well and happy. I hope
you will continue to be so. I am well and hope
to hear from you again soon. I am
very truly,
Your friend,

Main body of handwritten text, consisting of several lines of cursive script that are mostly illegible due to fading and blurring.

You, my dear, have been
the main thing I have done
for me since I came here.
I hope you will not let me
down in the future.
Take care - I am your friend,
and I shall be glad to hear from
you again.

To have
a girl who know
for 10 year and hope
to have many more
In the future and with
every one have fun
Good luck always
